29:Eleven Maternity Home – August 2018

He Calls Us To More...

When the 29:Eleven Maternity Home opened last May in a small La Mesa apartment, we were eager, anxious and excited—not sure of how things would unfold, but confident God had everything in the palm of His hands! However, we knew the apartment was just a temporary step on the road to a bigger and better plan to settle in our permanent home in Lemon Grove, so the situation was held loosely. While we are still on the path to renovating the Lemon Grove home, when the apartment lease came up this past May, we believed God was calling 29:Eleven to *more*. The apartment—while a wonderful way for us to begin serving moms and babies—did not allow us to have the full program we were striving for, and the size also limited our resident numbers.

Over the course of several weeks, God seemed to open and then close many doors to where our next location would be, when we were finally connected (through Craigslist of all places) to a wonderful couple who attend Newbreak Church. They were so excited to have their property be used for a ministry purpose such as this! Utilizing the transition to improve upon our curriculum and best practices, the doors to our new location opened in mid-July! Shortly thereafter, we welcomed a new resident, Ashley and her two young children. A couple of days later, Trina was welcomed into the household. Please keep all the ladies and children in your prayers as it is a big adjustment for everyone! We are so grateful to God for this opportunity to love on these moms, kids and babies yet to be born!

A special thanks to the many volunteers who helped make the various stages of moving possible. Both the move out of the apartment and the move into the new home would have been impossible without volunteer support! There will be more serving opportunities over the next few months as the property gets beautified through some TLC.

It's Almost Here!

Our Third Annual Fundraising Banquet is only a matter of weeks away! We will once again be holding the event at The University Club Atop Symphony Towers on Tuesday, September 18th. National speaker, Jill Stanek, is the keynote speaker, and Emmy-award winning journalist, Jenn Karlman, from Fox 5 San Diego, will emcee the event. This is 29:Eleven's largest fundraising event of the year, the proceeds of which go directly to funding the day to day operations of the home. We are still in need of individuals and businesses to serve as underwriters to help sponsor the event, so if you would like more information about this tax deductible opportunity, please send an email to Beckie Pérez at rperez@29eleven.org. If you would like to

attend the event as a guest, there is still space available! Please contact us as soon as possible to make your reservation. It is guaranteed to be an inspirational evening.

Guests at last year's banquet had wonderful things to say about the event! The banquet's fundraising efforts were hugely successful. Thank you!

Faith Chapel Meets Our Needs

29:Eleven has been blessed by a new partnership with Faith Chapel in Spring Valley. Through their *Meet the Need* program, spearheaded by Jacqueline Stearman, Faith Chapel regularly brings down trucks full of returned Costco items which are then distributed to local nonprofits. 29:Eleven received several necessary household items, and this ongoing relationship will help cut expenses, allowing resources to be focused into other areas.

Volunteer Opportunities

Thank you to everyone who donated towards the *Earn While You Learn* curriculum campaign! These lessons—presented in small, intimate groups—will be absolutely life changing for the residents and their children. If you are interested in connecting with the women of 29:Eleven while facilitating well laid out lessons covering a variety of topics, and you have an hour or two to spare a week, would you consider volunteering in this area? We have several time slots available throughout the week, including day and evening times.

Earning Mommy Money while learning about pregnancy, parenting and life skills

With two preschool age children in the home and babies on the way, we are in need of help with child care! Would you like to pour into the lives of young children and babies while giving their mommies some much needed time to work towards their goals? Please get in touch with us if this is you! There are several opportunities throughout the week for varying lengths of time. Don't underestimate the power of an hour!

We are currently raising up a team of 150 Prayer Partners who are committed to praying for this ministry in a special way. If you would like more information about becoming a Prayer Partner, please send us a message!

To inquire about these and other volunteer opportunities, please send an email to Jo Anne Allen at info@29eleven.org.

29:Eleven is very grateful for the many individuals and businesses who support us!
